

Express Entry Pick-Up

When you send in your entry for the PCQHA Fall Classic, and it is 100% complete, including copies of current AQHA, PCQHA, and/or NSBA cards, registration papers, signed releases by all exhibitors, etc. we will have an “express line”

for you to pick up your packet.

An entry without classes listed will be considered a post entry and as such, subject to the post entry penalty.

A signed check is optional but highly recommended.

If you are uneasy about mailing an open check, you may present it at the time of pick-up. It must be signed. **

**This is the only exception to the above requirements.
